Courses

Since you are joining our regular courses, the number of available places may be limited. Indeed, in some cases USOS may show that there are no places left. In such circumstances send an email to us (skulczynska@wne.uw.edu.pl) with information which courses you were not able to register for. On the basis of such emails we will make lists of students who want to attend particular courses and submit them to the dean. She will decide in which course the number of places can be increased.

Courses

Types of courses:

- Lectures
- Classes
- Seminars
- Labs
- Thesis seminars.

Looking for courses? Try [USOS courses search engine](#)!!!

Some courses not on the list for exchange students but you can still join them, if lecturers agree. We will register you later.

The list of our courses in English is available [here](#). Please note, that it contains also thesis seminars, for which you cannot register.
