Entity: Faculty of Economic Sciences University of Warsaw

Position: Student/Ph.D. student – scholarship in NCN project OPUS 27 "Impact of Globalization, financial development and economic structures on energy diversification: Implications for European Green Deal" (one post)

PI: dr. Syed Anees Haider Zaidi

Requirements:

- preferably Master in economics or data science with an excellent grip on data analysis;
- interest in economic modelling and policy making, confirmed by education and/or research experience in these areas, will be an asset;
- excellent English language skills (in speaking and writing);
- experience in writing academic papers in English will be an asset;
- experience with statistical software Stata and/or R, at least at an intermediate level;
- experience with Qualtrics software will be an asset;
- individual and group work skills;
- availability;
- diligence;
- good organization of work.

Description of tasks:

The goal of the proposed project is to investigate and compare the energy diversification strategies of European countries through the lens of globalization, financial development, economic structure, and the European green deal. Therefore, through the analysis of these factors, we propose a course of action aimed at endeavoring for a safer and more stable energy future for Europe. The student will be part of our research team and will be co-author in our research publication (s).

In our research project, we collect data and use econometric methods to study complex relationships among our study variables, as well as proposing policy recommendations.

The student co-investigator will be involved in all phases of the project to increase his/her learning opportunities. In particular, the student will:

- assist with data collection including literature and policy desk reviews,
- conduct interviews with key policy and academic experts, community practitioners, and stakeholders,

- develop econometric models and to perform statistical tests and robustness checks to validate the findings,
- conduct comprehensive literature reviews to support the quantitative analysis,
- provide general support to the PI.

Employment conditions:

Scholarship of   5000 PLN/month for up to 24 months, subject to an evaluation procedure after 6 months of employment.

The scholarship is awarded in accordance with the rules of granting scholarships in the regulations of research projects financed by the National Science Center (NCN), introduced by the Resolution of the NCN Council No. 25/2024 of 4th March 2024.

Additional information:

Required documents:

1. Scientific CV including scientific accomplishments and publications, information about awards, scholarships and participation in conferences;
2. Information about the course of the studies;
3. A one-page motivation letter describing research interests of the candidate;
4. Signed clause of personal data processing (see below).

Information on personal data processing

Controller
Controller of your personal data processed in connection with the recruitment process is the University of Warsaw, ul. Krakowskie Przedmieście 26/28, 00-927 Warszawa, as the Employer.

Contact with the controller:
- by traditional mail at: University of Warsaw, ul. Krakowskie Przedmieście 26/28, 00-927 Warszawa (name the organizational unit to which your letter is addressed);
- by phone: 22 55 20 355.

Data Protection Officer (DPO)
Controller has designated Data Protection Officer whom you may contact via email at iod@adm.uw.edu.pl. You may contact the DPO in all matters relating to your personal data processing by the University of Warsaw and the exercise of rights in relation to the processing of personal data.

The DPO, however, does not proceed other matters, like handling recruitment procedures, collecting recruitment documents, providing information on current recruitment process.

Purpose and legal grounds of data processing
Personal data of candidates for employment shall be processed for recruitment purposes only.

Your personal data shall be processed in the scope as indicated by employment law[1] *(given name (names) and family name, date of birth, contact information as provided, education, professional qualifications, previous employment)* for the purposes of this recruitment process[2], whereas other data[3] shall be processed based on your consent which may take the following wording:

> *I agree to the processing of personal data provided in .... (e.g. CV, cover letter, and other submitted documents) by the University of Warsaw for realising my recruitment process.*

If your documents include data as mentioned in Art. 9 section 1 of the GDPR (special categories of personal data), processing shall be possible upon your consent to processing such data[4] which may take the following wording:

> *I agree to the processing of special categories of personal data, as mentioned in Art. 9 section 1 of the GDPR, provided in .... (e.g. CV, cover letter, and other submitted documents) by the University of Warsaw for realising my recruitment process.*

The University of Warsaw shall be also processing your personal data in future recruitment processes upon your consent[5] which may take the following wording:

---

[1] Art. 22¹ of the law of June 26, 1974 Labour Code (i.e. Journal of Laws 2019 item 1040 with subsequent changes);
[2] Art. 6 section 1 letter b of the Regulation of the European Parliament and the Council (EU) 2016/679 of April 27, 2016 on protection of individual persons with regard to the personal data processing and on the free flow of such data, and also repealing Directive 95/46/EC (general regulation on data protection) (Official Journal EU L 119 of 04.05.2016, page 1, with subsequent changes) (hereinafter as the GDPR);
[3] Art. 6 section 1 letter a of the GDPR;
[4] Art. 9 section 2 letter a GDPR;
[5] Art. 6 section 1 letter a GDPR;

wne@wne.uw.edu.pl | www.wne.uw.edu.pl   **3** z 5

> *I consent to processing of my personal data for the purposes of any future recruitment processes at the University of Warsaw for the period of the next nine months.*

You may revoke all such consents at any time by, for example, sending an email at szaidi@wne.uw.edu.pl *(email address due for the recruitment process).*

Be advised that the revocation of your consent does not affect legal compliance of processing which had been completed upon consent before its revocation.[6]

Data retention period
Your personal data collected in this recruitment process shall be stored over the period of three months from the date the recruitment process is completed.

In case you agree to process your data in future recruitments, your data shall be used over the period of nine months.

Data recipients
Officers authorized by the Controller shall have access to your personal data, the processing of which is in the scope of their duties.

Recipients of personal data may be other subjects obligated by the Controller to provide specific services involving data processing, like
....
(name all recipients of data)

Data transfer outside the European Economic Area (EEA)
Your personal data shall be disclosed to subjects authorized by law. Signing-in is through Google Forms. Your personal data may be also processed by our provider of G-Suit for education by Google Company in their data processing centres.[7] Your data shall be protected under the standards of the Privacy Shield, accepted by the European Commission.[8] This shall guarantee an adequate level of data security.

Rights of the data subject
Under the GDPR data subjects have the following rights:
- *to access data and to receive copies of the actual data;*
- *to* correct (rectify) your personal data;
- to restrict processing of personal data;
- to erase personal data, subject to provisions of Art. 17 section 3 of the GDPR;
- to file a claim with the President of the Personal Data Protection Office, if you believe data processing violates law.

Information on the requirement to provide data
Providing your personal data in the scope resulting from law is necessary to participate in the recruitment process. Providing other personal data is voluntary.
