

Instructions for students of FES UW to activate a Microsoft account, e.g., to use MS Teams

Part I. Activating a Microsoft account to use MS Teams

- 1) All of the students at FES UW, who have an account in the @student.uw.edu.pl domain **should receive** a Microsoft account soon after, in order to use MS Teams, among other things. The management of these accounts will be carried out by the FES UW Computer Lab (which is why they will have the domain extension ...@student.wne.uw.edu.pl). A message will be sent to your university email address from the @student.uw.edu.pl domain.

Please note: the only difference between **the university account** and the one from **Microsoft** which is administered by **FES (WNE)** is the addition of "wne":
@student.wne.uw.edu.pl

Please note: In order to receive a Microsoft address, students who do not already have an email address in the @student.uw.edu.pl domain should first create an account in the @student.uw.edu.pl domain by visiting the page at the following link:

<https://it.uw.edu.pl/pl/uslugi/UslugiMojaPocztaGmailStudent/>

and then sending an **email from the university email address** to: licencje@office.wne.uw.edu.pl. In the **title of the email please enter your name and surname**. In the body of the email, please repeat your **name and surname, album number (student number), the name of your study programme, and the expected date of completing your study programme**.

In response to your email, you will receive a message to complete the following steps:

- 2) An email with information about the account will arrive with the subject line: **"Konto do MS Teams WNE UW"** ("Account for MS Teams FES UW"). The email will contain a login and a temporary password.

- 3) Using the login and password you have received, it is necessary to log in at:

<https://teams.microsoft.com>

- 4) After you log in, the system will require a change of password, as shown below:

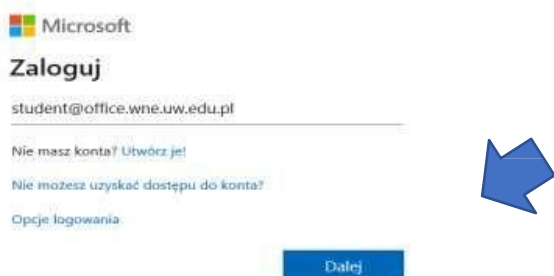

The screenshot shows the Microsoft account password change interface. At the top is the Microsoft logo. Below it is the email address 'tjeruzalski@office.wne.uw.edu.pl'. The main heading is 'Zaktualizuj hasło' (Update password). Below this is a note: 'Musisz zaktualizować hasło, ponieważ logujesz się pierwszy raz lub Twoje hasło wygasło.' (You must update your password because you are logging in for the first time or your password has expired). There are three input fields: 'Bieżące hasło' (Current password), 'Nowe hasło' (New password), and 'Potwierdź hasło' (Confirm password).

Please note: If you **forget your password**, you should **reset your own password**. In case of problems with resetting the password, send a request for a new password to:

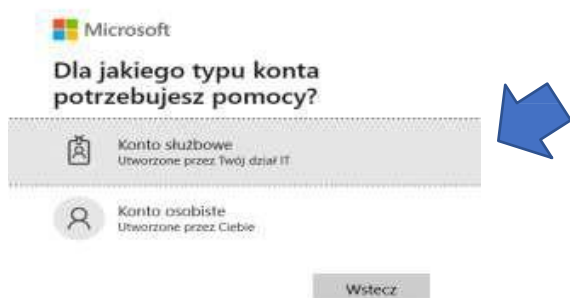

licencje@office.wne.uw.edu.pl

Below you will find instructions for resetting your password.

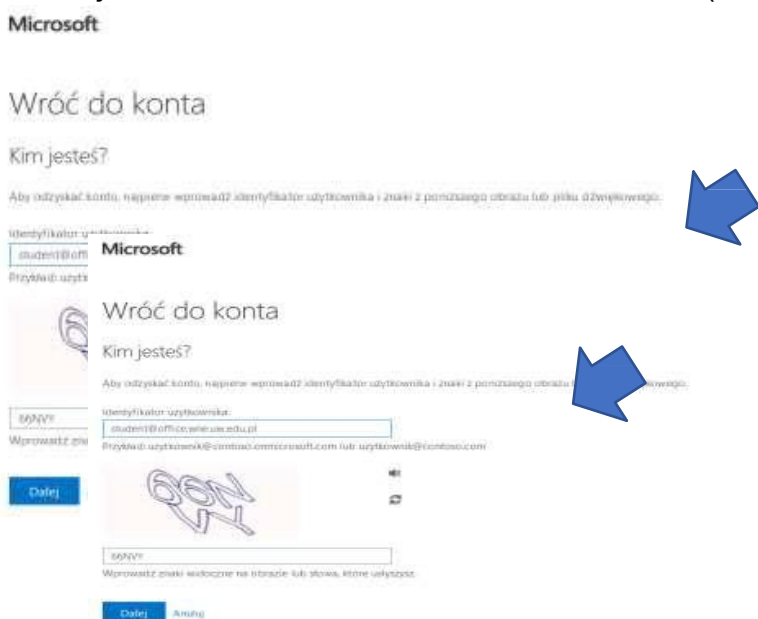

- 1) Go to <https://teams.microsoft.com>, enter your login, and then choose the "Can't access your account?" option, as shown below:

- 2) Next, choose the type of account as shown below – „Konto służbowe” (Work account)

- 3) Then, enter your login which you received in the email (the login from the university email, with the subject line „Konto do MS Teams WNE UW” ("Account for MS Teams FES UW")).

- 4) The next step is to accept the method of verification -- by email (an alternative – your university email from the @student.uw.edu.pl domain) – then click on „Adres e-mail” (Email address).
