In order to obtain a license for

- SPSS 26
- SAS 9.4 (for 64 bit. Linux and Win 7, 8.1, and 10)
- STATA IC/16

1. Please print out and fill in a form for **SPSS, SAS,** or **STATA**
2. Send the scanned, signed form (a photograph is acceptable) to **licencje@wne.uw.edu.pl.**
   The email should be sent from:
   STUDENTS - the address in the domain **...@student.uw.edu.pl**,
   EMPLOYEES - the address used in **the employee's profile on the FES UW website**.

After completing the above steps, you will receive an email notification to the address provided in the form and access to the installation files along with installation instructions.

Refer to the instructions for downloading installation links - "Downloading SAS, SPSS, STATA" (https://www.wne.uw.edu.pl/wydzial/struktura-wydzialu/dzialy-administracji/ pracownia-informatyczna/instrukcje)

The license should be used **in accordance with the rules** in force at the University of Warsaw and in accordance with the manufacturer's license.

1. Each user must accept the manufacturer's terms and conditions for the license.
2. The right to use the licence is issued for one year and must be renewed annually.
3. You may not copy or share the program or its installation key.
4. The software may be used for scientific and research purposes.
5. The IBM SPSS package may be used for non-research purposes (by UW administration). The IBM SPSS package license allows for its use by UW organisational units for commercial purposes.
6. The user loses the right to the license and must uninstall the software in the following situations:
   - after graduation from the University of Warsaw (student);
   - after the termination of an employment relationship (employee);
   - upon the termination of the license - its expiration or the termination of the agreement (in this case, users will be notified on the University portal);
   - at the request of the licensor or the University in the event of a suspected violation of these rules.
