**on the exemption from the fee for educational services**  
**for students starting second-cycle studies**  
**in the International Economics programme in the academic year 2025/26**

Pursuant to § 7 sec. 5 in conjunction with § 7 sec. 2 item 1 and 2 in conjunction with § 7 sec. 1 of Ordinance No. 130 of the Rector of the University of Warsaw of 30 September 2019 on the principles for collection, as well as terms and procedure for exemption from the fees for educational services at the University of Warsaw (uniform text: Monitor UW item 306 as amended), the Teaching Council of the Faculty of Economic Sciences for the fields of study: Data Science and Business Analytics, Ekonomia, European Environmental Economics and Policy, Finanse, Inwestycje i Rachunkowość, Finanse i Rachunkowość, Finance, International Investment and Accounting, Informatyka i Ekonometria, International Economics, Quantitative Finance resolves as follows:

**§ 1**

1. Students who have been admitted to the second-cycle study in the fields of International Economics may apply for a full exemption from the fee for educational services for their first year of study.
2. It is possible to extend the tuition fee waiver to the second year of study provided that all subjects included in the first study stage programme are passed in a timely manner.
3. Only students who are citizens of: Member States of the European Union, the Swiss Confederation or a Member State of the European Free Trade Association (EFTA) - parties to the Agreement on the European Economic Area - may apply for a tuition fee waiver.

**§ 2**

1. The basis for obtaining a waiver in the first year of studies is the ranking list of students admitted to the study programme.
2. The ranking list is created after the end of recruitment for the academic year and includes students admitted in all recruitment rounds.
3. The ranking list is created according to the formula:

$$P \cdot \sum_{i=1}^N LG_i \cdot O_i,$$

where:

$P$  – denotes the conversion factor for having the status of a ‘research university’ (the Ministry of Science and Higher Education’s “Excellence Initiative – Research University” Competition) by the institution that issues the diploma in the year of recruitment for studies at the University of Warsaw for those who completed first-cycle studies

in Poland or for the university's position in the Shanghai Ranking from 1 to 500 in the year of recruitment for studies at the University of Warsaw. The conversion factor shall be 1 where none of the above conditions is met and 1,2 providing at least one of the above conditions is met.

$LG_i$  – the number of hours of a course from a list that includes the groups of courses listed below;

$O_i$  – the grade obtained in a given course (equivalent to the grading scale specified in the Rules and Regulations of Study at the University of Warsaw).

4. The list of courses that can be included to the formula:
  - a) economic courses: microeconomics, macroeconomics;
  - b) mathematical and instrumental subjects: mathematical analysis, algebra, mathematical statistics, probability calculus, econometrics;
  - c) major subjects (related in profile to the International Economics major): international exchange theory, macroeconomics of the open economy. Within this group of courses, two additional mathematical or instrumental subjects that have not been indicated previously can be indicated as equivalent.

### **§ 3**

1. In order to apply for a tuition fee exemption, an appropriate application must be submitted to the HTU in accordance with the procedure stipulated in the Code of Administrative Procedure no later than 30 days prior to the commencement of the classes that are the subject of the application, unless the HTU sets a different deadline for submission of the application.
2. The decision to grant a tuition fee waiver in the first year of study is made on the basis of the information provided by the applicant along with a statement of factual accuracy.
3. A total fee waiver for educational services in the first year of study will be granted to a maximum of 10 students, representing no more than 50% of all students entering the International Economics programme in that year.

### **§ 4**

The resolution comes into force on the day of its adoption.
