Courses

Since you are joining our regular courses, the number of available places may be limited. Indeed, in some cases USOS may show that there are no places left. In such circumstances send an email to us (skulczynska@wne.uw.edu.pl) with information which courses you were not able to register for. On the basis of such emails we will make lists of students who want to attend particular courses and submit them to the dean. She will decide in which course the number of places can be increased.

Courses

Types of courses:

- Lectures
- Classes
- Seminars
- Labs
- Thesis seminars (2400-ENSM and 2400-EN3SL in the codes in USOS).
