

RESOLUTION NO. 4
OF THE DEAN OF THE FACULTY OF ECONOMIC SCIENCES
UNIVERSITY OF WARSAW

30th May 2017

On establishing scholarships for WNE UW undergraduate studies alumni

1. Dean of the Faculty of Economic Sciences University of Warsaw hereby establishes a scholarship for alumni of undergraduate studies conducted at WNE UW who wish to continue studies on graduate level in English. The scholarship refers to 70% tuition waiver for one-semester for graduate studies conducted at WNE UW.
2. The scholarship will be given individually, based on a submitted declaration of chosen programme and specialization of the studies. The obligatory requirement for applying for a scholarship is to have obtained minimum 4.0 of both GPA from undergraduate studies and thesis exam.
3. The decision will be made based on the ranking list including only one criterion: GPA (calculated before thesis exam) obtained during undergraduate studies at WNE UW (understood as studies conducted by WNE or jointly with other units, in Polish or in English).
4. The number of scholarships for each academic year shall be announced by the Dean of the Faculty of Economic Sciences University of Warsaw in a separate resolution no later than by 10th June. The value of the scholarship is established as 70% of tuition waiver for one semester in accordance to the price list for the given academic year.
5. Candidates for the scholarship should submit required declaration by 15th September to the Office of Admissions and Communication. The Office of Admissions and Communication will make a ranking list, the decision will be made by the Admissions Committee for English-language Studies.
